

## **Term 2: Links to songs, games and stories to support children's learning in French lessons.**

These songs and other activities will help children to associate written French with the correct pronunciation as well as helping them acquire the vocabulary to enable them to have their own conversations and to write sentences and short paragraphs. All the activities are chosen to be short and enjoyable.

Parents will be able to access these links from the school website.

Class teachers will be able to access them from this document or from the school website.

### **Year 3**

During the Spring Term, Year 3 children will learn the colours in French and words for some family members and parts of the body.
