

Dear Parents and Carers

It has been lovely to see the children back in school after the half term break. I'm glad that everyone stayed safe during bonfire night. Just before half term the whole school staff took part in training about **understanding autism** which helped us to build on the practice already in school. (Many of the strategies that help children with autism help all children to feel safe, secure and know what they are doing in school.) The rest of the training day was on curriculum and assessment.

In Year 3 Forest School the children have begun the 6 week process of working in teams to plan, find materials and solve problems to build dens that will be waterproof and keep six children warm and dry. A great start!

Thank you to everyone who was nominated or voted in the recent **parent governor election**. It is great that we have so many parents and carers involved in supporting and challenging our school to improve. The following three parents were elected. Their term of office is for four years: Charlie Stobbart, Kate Wright and Laura McCullagh.

Leeds City Council is running a public consultation on the 2025/2026 admission policy for Leeds community and voluntary controlled schools. You can share your views until 4 December 2023. (Shire Oak is a voluntary controlled school. This means it has formal links with the church, but our admissions policy and RE curriculum is the same as other Leeds City Council schools.) Find out more at www.leeds.gov.uk/SchoolAdmissionsConsultations

Well done to our Year 5 and Year 6 children who have been making sure families could make a donation to receive a poppy. We always support the Royal British Legion collection but this year we also had white poppies available after requests from children and families. Thank you to the parent who enabled that to happen without outlay to the school. Today we have had a short act of **remembrance** in each class to think about all those who have died or been injured in war.

It is a while since it was recorded, but two of our budding sports journalists are featured on the **Leeds Rhinos** website, interviewing one of their players, Richie Myler: https://www.therhinos.co.uk/article/19617/school-kids-q&a-with-richie-myler Well done to both of them for well planned, clear questioning!

Thank you to the parents who were able to join us this morning for our **Diwali Assembly.** It was great to share the work being done in classes about this festival and the religions that celebrate it. As the nights draw in it is especially fitting to learn about and learn from festivals of light like this. Happy Diwali to all celebrating this weekend!

I know that some of you will be planning your diaries for the weeks ahead to Christmas. One date is Tuesday 28th November, from 5pm. This is a lovely, local event in Headingley. The community meets at St Michaels' Church (who serve refreshments). We then usually sing carols inside the church before going outside

to sing some more and then count down to the **switch on of the Headingley Christmas lights**. All are welcome! On the 8th December there will be another lovely community event at Leeds City Square with a reading of the festive classic, 'A Christmas Carol' by Oliver Bray, Dean of the Leeds Beckett School of Arts.
