

Dear Parents and Carers

**SHIRE OAK**  
C of E (VC) Primary School

**Thank you so much** to all the parents who responded to the requests for help for our pancake sale. Not only did we get enough pancakes (and even enough that Y1 and Y2 could have some leftovers with their learning the next day) but we had enough volunteers to help the event run smoothly. We really appreciate it and hope people won't be shy to volunteer in the future.

This week we have been able to see the results of Year 3's collaboration with local poet, and friend of Shire Oak, **James Nash**. James has been working with the children on their own poems about animals and yesterday they presented them in a **special poetry assembly** for the whole school and their parents. We enjoyed their poems and, like James, were impressed with their loud, clear, hall voices. (In fact he said that Shire Oak children had the best reading aloud diction out of all the schools he works with – high praise indeed!) Thank you to **Headingley LitFest** who enable this annual collaboration as well as thanks to James for his input.

Yesterday also saw the children from **Film Club** enjoying a free trip to the cinema to see a special screening of Oddball and the Penguins. They walked to and from the Vue cinema very sensibly and enjoyed the film. I look forward to seeing the reviews. Thank you to Kate Earl for running the club and organising the trip.

Make sure you get your special copy of the **Science Newspaper** that Year 4 have worked so hard to write, edit and produce!

Class	Well done to this week's Superstars who have been chosen by the staff in their class.
YR (Thames)	<b>Flo</b> for making a beautiful mouse and <b>Asa</b> for a real interest in volcanoes during STEM Week. He made his own and labelled it.
Y1 (Nile)	<b>Rylan</b> has been much more independent and <b>Leilani</b> tries her best and her work is always of a high standard.
Y2 (Aruvi Aru)	<b>Nathaniel</b> for working hard to develop his maths skills with Mrs Woodley.
Y3 (Rhine)	<b>Lydia</b> worked very hard on place value last week. <b>Alexander</b> for fantastic attitude to his learning.
Y4 (Ganges)	<b>Phoebe</b> worked extremely hard writing news reports about science week. <b>Lucas</b> showed incisive thinking about density in science week.
Y5 (Tigris)	<b>Freddie</b> found interesting ways to add challenge in science experiments and <b>Maleehah</b> worked hard on her experiment evaluation.
Y6 (Amazon)	<b>Ashton</b> showed keen interest and understanding in science week. <b>Simone</b> for the way she helped younger children with maths games during STEM Week.
<b>Citizen of the Week</b> was <b>Lily-Rose</b> who was nominated by Ted because when she checks the Buddy Bench and makes people happy if they are sad or lonely. Well done Lily-Rose!	

Finally well done to **Reception Class** for their great class assembly this morning in front of proud friends and family and then an enjoyable **Teddy Bear's Hospital** this afternoon to learn about keeping healthy.

Have a great weekend.

### Did you know?

That regular **reading** and **talking about learning** during the holidays is the best way to make sure children don't lose any ground and pick up where they left off in the next half term.
