

What are our values?

Children at Shire Oak enjoy creative teaching and high quality learning.

All our children are encouraged to fulfil their potential in a happy, safe and nurturing environment.

We express our Christian values in a sensitive way while, at the same time, welcoming families of different faiths and beliefs.

Children at Shire Oak recognise their responsibilities towards each other, the local community and the wider world.

How do we live our values?

Teaching and learning

Our aim is for all children to make the best possible progress through high quality teaching and learning.

We ensure children develop the key skills they will need for later life.

We provide all children with a broad and balanced education that meets their particular needs.

Children and staff are encouraged to be creative in all areas of learning.

The school works closely with parents/carers; we recognise that children are more likely to fulfil their potential when we work together.

A happy, safe and nurturing environment

Staff and pupils show mutual respect for each other.

We enjoy a stimulating and purposeful atmosphere in school.

Our school is a happy place; children know that their concerns will be dealt with promptly and effectively.

Children learn to be good friends, to care for each other and work cooperatively.

School provides a safe and secure environment in which children learn to deal with risk appropriately.

Social responsibility and behaviour

We expect high standards of behaviour from all members of the school community.

Children develop an understanding of right and wrong.

Children are supported to play an active part in the life of the school.

Children develop the knowledge and skills to make positive life choices.

Through sharing and celebrating different faiths, children develop an awareness of the role of spirituality in everyday life.

The school and the community

Children are encouraged to play an active part in the local community and develop an understanding of their role as global citizens.

The school works closely with partners from our local community to provide a wide range of learning experiences.

We actively promote environmental sustainability in all aspects of school life.
