

Dear Parents and Carers

SHIRE OAK
C of E (VC) Primary School

Another busy week in school with lots of great learning in and out of the classroom. At Shire Oak we extend **Anti Bullying Week** to a fortnight, so that we can spend time on the important messages for longer. In assembly this week we made sure we all know what bullying is, what bullying isn't and (most importantly) what we can do about bullying: TELL! One Day Creative **theatre** company came to do workshops with all the key stage two classes on this year's theme of 'One Kind Word' to help them work out ways of preventing, spotting and dealing with bullying. The KS1 children are doing a similar workshop led by their teachers and an online session. Next week the children will be signing our pledge and receiving a small present from School Council to help them remember the key messages.

Bullying is...
Hurting someone again and again, on purpose, to make them feel bad.

What is not bullying?

Bullying is not...

- Falling out with someone
- Playing a trick on someone
- Things that are an accident
- Protecting someone
- Sticking up for yourself
- Being too rough in a game

Our school rules are 1) Follow instructions 2) Keep hands, feet and objects to yourself 3) Use positive language and some of these things might not be bullying, but are still not ok in school.

What can we do about bullying?

We can stop bullying by...

- Telling bullies to "stop it!"
- Telling a teacher or other school grown up
- Sharing nicely and letting people join in our games
- Maybe telling the bullies how it makes us feel
- Walking away and ignoring them so they get bored
- Playing near a grown up
- Writing it down and putting it in the 'Worry Box'
- Telling Miss Hincliffe
- Telling Ms Devane
- Telling parents as well
- Telling friends

This week **Year 4** have had another special visitor who travelled through time (and via the Internet) to tell them all about his time in a **Roman legion**. Highly engaging and informative I eavesdropped just when they were talking about the high wages for joining - and the high penalties for leaving - the Roman army.

This morning a group of children from KS2 went to Headingley Library to collect some **free comics and graphic novels** for school, courtesy of the Thought Bubble convention. There may be some left after school so consider popping in on your way home!

This week 4 children (in 2 families) have tested positive for COVID. They are in Years 3, 4 and 5. Any children with symptoms, or those who are a contact of a positive case should have a PCR test (not just a lateral flow test). If children are a contact (e.g. a positive household member) then daily lateral flow testing after a negative PCR test can be useful.)

Thank you for all the help you have been giving to homework projects recently. The quality has really improved since the periods of home learning! We loved celebrating both projects and regular practice in assembly this morning.

I hope you have a lovely weekend and look forward to seeing you at the **festival** next week!
