

Dear Parents and Carers

SHIRE OAK

C of E (VC) Primary School

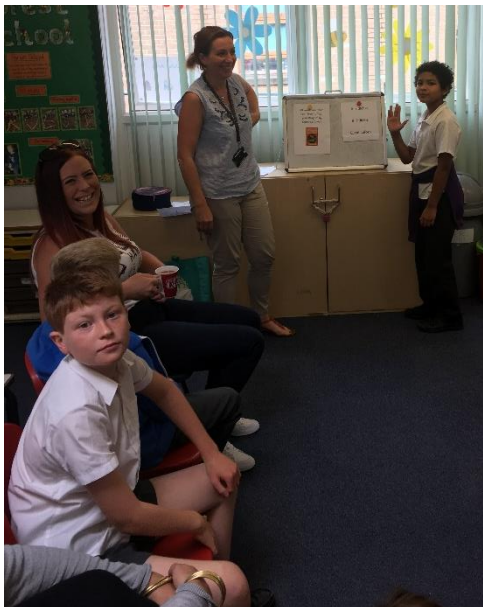

A busy final, full week of the school year. Thank you to **Pete White, Suitcase Circus** for entertaining us on Tuesday afternoon with hula hooping, circus skills and a lot of laughs whilst support staff were busy passing on information about the children they work with to the support staff in the next class.

Well done to the Year 6s who took part in **Bikeability**. They all passed their Level 1 session and many of them went on to do the Level 2 course out on the roads. We do like to offer these sessions in Year 6, before the children go to high school, so they have access to a healthy form of exercise and transport. To make sure the children are as prepared as possible before the sessions it is good if they have had lots of practice (on a bike with gears, if possible) so that they can concentrate on the road proficiency aspects when the time comes. One to think about for current Year 5!

Thank you to all the friends and family who came to watch the Reception, Y1 and Y2 **Sports Day** on Wednesday. It is always good to see the school community cheering children on who are trying their best at the various races. It was a shame that we had to postpone the Sports Days for KS2 on Thursday but even if it had stopped raining the grass was too slippery and the playground was under puddles. As I write this I am hoping that Y3/4 will be able to go ahead on Friday morning and that Y5/6 will be able to reschedule theirs for Monday.

This year a group of Year 4 and 5 children have been enthusiastically arriving in the Y3 classroom every Monday dinnertime intending to perform some magic. They are the **Word Wizards** and, under the

guidance of chief wizard Mrs Farnhill, they have been off on adventures exploring the magical world of spelling. On Tuesday morning, they invited their families into school to show their magical spelling tricks and to share ideas for how they could continue their spelling adventures over the summer holidays and into their next year at school. Mrs Farnhill was very proud of all their efforts and all of us in school are very grateful to her for inspiring them to be so confident and proud of their spelling strategies.

Tula in Year 3 is doing a **sponsored run** for Save the Children this Saturday. She has been training hard for the last month or so to bring her park run time down and is aiming to run 5 kilometres in under 30 minutes! This photo from one of her last training sessions shows that she is on target! She would love it if any friends (and their parents) could come and cheer her on this Saturday (22nd July) at the 9am Hyde Park Park Run to achieve her best time... and if they could sponsor her, that would be great! Donations can be given to her parents or via this link: <https://www.justgiving.com/fundraising/tulaparkrun> Well done and good luck Tula!

Well done to our **rugby fans** at the Leeds Rhinos match on Friday night. They carried out their flag duties with pride and were great representatives for the school.

Although next week is a short week, it is an important one in the school year. We will celebrate great learning, friendships and co-operation on Monday afternoon. Each class will celebrate in its own way, although the disco will be set up in the hall for classes to take turns.

Tuesday morning is our **Leavers' Service** at St Michael's Church. We will listen to the memories of the class who are moving on to high school and say thank you and goodbye to all our leavers moving on to pastures new. All are welcome at 10:30 to join us.

Please make sure you have claimed any **lost property** by the end of term as otherwise it will be taken to the charity shop or washed and put into the FOSOPS used uniform sale stock. It isn't always possible for us to work out what was just misplaced in the last couple of days, so please do make sure your children bring everything home with them!

Have a great weekend. I hope to see many of you next week, but wish you all a very lovely and restful summer.

Jane Astrid Devane
