

Dear Parents and Carers

What a great week! For many, I am sure, the highlight will have been watching Reception Class perform their **Tiptoe Nativity** and Year 1 and 2 perform their **Knock, Knock Nativity**. The children sang, spoke and acted beautifully and with real enthusiasm for the story they were telling. Great teamwork! Thank you to all the staff who rehearsed and prepared them and to all the adults who came to watch them and helped with finding costumes and props.

This week Dave from **d:side** has been in school making sure the children are being regularly reminded about safe and age appropriate choices to make when they are online.

Book Club have been spending some of their lunchtimes reading Dickens' A Christmas Carol. They were treated this week to a trip to Leeds Playhouse

to watch the Christmas production of the book. It sounds like they all thoroughly enjoyed the experience and came out raving about what they had watched. Thank you so much to Janie for running book club and for making this trip possible.

Last week Children from Y3 enjoyed the first of this year's indoor **sports festivals** hosted by Leeds University students at the Edge sports centre. After a short journey together on the service bus from Headingley where members of the public commented at how impressed they were with the children's sensible behaviour, the class walked down to the Edge and took part in a carousel of 4 different activities inspired by badminton, volleyball,

curling and football. Once again students and lecturers at the University commented on what a joy it had been for them to work with such a brilliant set of children. A great morning for all!

Well done to children from choir who went to sing for the patients and staff at **Wheatfields Hospice** this week. They really brought Christmas joy with them and their efforts were greatly appreciated.

As well as all of this, the children have been doing end of term and end of unit assessments and finishing off the learning in their autumn term topics. We are looking forward to listening to the **Headingley and Kirkstall Combined School Band** this afternoon to round off the week. On a musical note, do see the advertisement below for a special concert. Tickets for under 18s are free so it could be a lovely family outing.

Next week is a busy week too and I have tried to summarise some of it below to help with families preparing.
