

## Shire Oak Primary (CE) Annual Parents' Survey, 2014

### Why do we need a Parents' Survey?

At Shire Oak Primary School we work very hard to make sure that we give your children the best possible education. However there is always room for improvement and we are keen to get feedback from parents on how we can continue to improve.

Please take a few minutes to answer the following questions and then hand the completed questionnaire either to your child's class teacher or to the office by Friday 2<sup>nd</sup> May.

Once we have analysed the questionnaires the results will be included in a school newsletter. The results will be important in writing our School Development Plan for the coming year.

I will read all the comments made as part of this analysis but the Survey is not designed to pick up things about individual children so if you want to discuss issues relating to your child please feel free to make an appointment to see me or the class teacher. I would also be happy to discuss general issues raised by the survey.

Many thanks for your cooperation.
