

Dear Parents and Carers

Thank you to **Year 3** for a lovely class assembly this morning and a great way to round off our half term. We particularly enjoyed the way they shared their learning so confidently from across the whole curriculum. Thank you to everyone who came to support them today.

Year 6 have been busy this

week working with the **Bikeability** coaches. All the children have made great progress – some from not being able to ride a bike much at all before this week. Some children were able to try out their skills on the road and learn the proficiency needed to use cycling as a form of transport.

This week children have been finding out about the work of Childline and the NSPCC to keep them and their friends safe. Year 2 even made models of Buddy and reminders of the phone number when they were choosing what to work on in the classroom areas

of provision. It is useful to make sure that children have learned the number off by heart in preparation for years ahead when they may feel the need to talk to some one not at home or school.

Thank you to everyone who is busy helping us get reading for **Headingley Youth Music Festival**. This great community event (and school fundraiser) is only possible with lots of peoplepower. If you haven't yet been collared to help out, please do volunteer... there are plenty of different roles before, during and after the festival so we will certainly be able to make use of your time and skills! Please let me, Mrs Maver or anyone in FOSOPS know that you can help. I have attached the poster for the festival and would appreciate you sharing it online and anywhere that potential visitors might see it. If you need paper copies, please let me know!

I have attached this month's **internet safety newsletter** for your information.

Have a lovely half term! We are back on Monday 2<sup>nd</sup> June ready for our exciting **Green Week**.

Jane Astrid Devane
