

Dear Parent

VACANCY FOR PARENT GOVERNORS

I am writing to inform you that we are seeking nominations for parent governors for three roles on the governing body of the school (one of which is a vacancy, the other two being the ending of a 4 year term of office which must be re-elected to continue). As a parent or carer of a child at the school you are entitled to stand as a candidate. If you wish to be considered please complete the slip below and return it to the school office by Friday 6 October.

Here is an outline of the role.;

- It is voluntary, and generally will require 4-8 hours of your time per term;
- Shire Oak has 12 Governors which includes parent Governors, staff representatives, representatives from the local community and governors appointed by Leeds City Council;
- The key priorities for the Governing body are to a) ensure clarity of vision, ethos and strategic direction for the school, b) Hold the management team to account for the educational performance of the school and its pupils and c) Oversee the financial performance and resources of the school and that it is run effectively.
- We have 5 Full Governor meetings throughout the academic year, normally on Monday evenings. In addition, each Governor will normally attend one of our sub committees (one of which is focused on teaching and learning and the other focused on resources), which meet 3 times a year.
- Governors do not need to have any specific experience or a background in education. What is important is that you have an interest in the School and that you can commit to being able to attend the meetings and a small amount of work outside the meetings;
- Governors are elected for a period of 4 years, after which the term can be extended (if the governor wishes!)

If you are thinking about putting yourself forward you may find it useful first to speak with myself and/or I can put you in touch with an existing Governor. Further information including our 2022-3 Governor Evaluation Report can be found on the website - <https://www.shireoak.org/about1-c1fgz>

If more than three candidates put themselves forward then a ballot will be held for the School community to select three people to fill the roles. For the purpose of the ballot we will circulate the personal statement of all those who have put themselves forward in order for the School community to cast their vote for three people that they feel are best suited to the positions.

Please note that elected governors are subject to various checks including DBS and a self-declaration proforma to confirm that they are eligible to serve as a governor. You cannot be a parent governor if you work at the school for more than 500 hours per year. You are also not eligible if you fulfil any of the disqualification criteria listed on the eligibility form.

Education Leeds offers training and support for governors and we also have a school induction process. It is a very interesting role and gives great insight into the running of the school, so we encourage all parents to consider applying if the role is of interest and they feel that they have the time to commit.

I look forward to receiving your nominations, Jane Astrid Devane, Headteacher
