

**SHIRE OAK**  
C of E (VC) Primary School

Letter 16  
9th January 2026

Dear Parents and Carers

**Thank you so much** for the thoughtful cards, messages and presents that the Shire Oak team received before Christmas. It is absolutely not an expectation but it is lovely to hear when we have made a difference or to see children learning to be thankful and gracious. **Happy New Year!** I hope you have had a good Christmas holiday. It has certainly been lovely to hear the children's news this week as they got back into the routine of school life. To help with understanding the rhythm of the school term, please look out for the class newsletters to help with understanding the topics the children are learning as well as practical information about library and PE days, etc.

Thank you also for your cooperation during the **icy weather** earlier this week. You will know that it is always our intention to keep school open, whatever the weather. To do this we really need your help and understanding so that children have the clothes and footwear they need for the day (with spares, if necessary) and that it is simply not possible for us to clear and/or grit every part of the school grounds. That means we need all our community to be vigilant and careful when walking in to school – watch out for ice and walk like penguins! If any of our families have mobility or access needs that change during such conditions, please contact the office to discuss any arrangements or help we might need to put in place.

You will have seen that I wrote to you this week about changes to the childcare offer on site during school holidays. We are very pleased to be working with **A Camps** to provide a fun and active playscheme, starting this February. (ACES, who run A Camps, are the company we worked with to bring the fabulous swimming pool to school this autumn.) Use the code FEB10 if booking 3 or 4 days for a discount. (The full week rate is already discounted.)

Please find attached information from the **Children's Centre** team. Although, sadly, the council have made the decision to stop running Headingley Children's Centre as a physical site, the team still work in this area with families who need it and their services can be accessed at other sites including Horsforth and Ireland Wood. One outcome of this is that the beautiful giant tipi is going to be school's to run and I am looking at ways to make it useful to the community and also to pay for its upkeep. If you know of yoga lessons or other groups and events who would respectfully use such a lovely space then do ask them to contact me to discuss renting it.

Finally, please find attached the January **Internet Safety newsletter**. On a similar note, [here](#) is a new guide from the Children's Commissioner for England on children's **digital lives**. I hope you have a good weekend.
