

## INITIAL SUMMARY OF KS2 SHIRE OAK STATUTORY DATA 2023

Please note that this data has been accessed from Perspective Lite (which uses data from almost all local authorities as well as the DfE.) In the autumn term official data will be released for the DfE Tables Checking Exercise. During this checking period corrections will be made and children who are eligible to be discounted from the performance tables will be removed. There will, therefore, be a slight change in the final published national figures (usually a higher figure).
