More detail is available in the curriculum area of our school website.			

If we have extra time at home, this is a good way to help us improve our learning:
Regular reading with an adult or independently.
See homework leaflet for more ideas.

Mr Nash, the Learning Mentor, can normally help sort out any worries or problems about school life. He or senior leaders are on the playground before school each morning or can be contacted via the office.

Our class teacher is always happy to talk to parents and carers about how to help children improve their learning. Catch them at the end of the day to arrange a time to talk, or leave a message at the office. (At morning circle time messages are best passed on via the office/Learning Mentor or senior staff as teachers are greeting the children and starting the day.)
